Our value for
this week is
"Truth"

Dear Parents/Carers,

So many children have arrived in school today wearing red, white and blue to help celebrate the Royal Wedding of Prince Harry and Meghan Markle. The children are spending the day working on 'Royal Wedding' themed activities and will share their work with the rest of the school this afternoon - I am looking forward to seeing what they have been doing.

Years 3 & 4 had a wonderful time yesterday on their trip to the Verulamium Museum in St Albans, where they were immersed in Roman life for the day. Upon return to school the children were very keen to tell me about their experiences - one even said "it was the best trip ever!"

I am very proud of the children in Year 6 this week as they undertook the statutory end of KS2 SATs testing. They have all worked extremely hard, not only during this week, but in the time leading up to these assessments. The learning attitudes they showed of perseverance and determination were excellent - well done Year 6!

I am delighted to inform you that the school has successfully been awarded the Silver Quality Assurance Mark for Science (PSQM). This is the result of a lot of hard work to increase the profile and quality of science teaching in the school. You can continue to help strengthen this at home by encouraging your child to participate in the 50 Super Science things to do before you're 11 $\frac{3}{4}$. Take a look at the Science section of the website if you haven't already as this has all the details of the activities you can do. When a challenge has been completed, please bring your child's evidence into school to share with the class teacher or email a photo through to the office. Certificates are awarded for every 10 challenges completed.

Over the past few weeks I have been reviewing the way in which children enter school in the morning and what happens at the beginning of the school day. From next Monday, 21st May, there will be a few changes as follows. Children may enter the school site as usual from 8:40am. Then, instead of lining up on the playground, the classroom doors will open at 8:45am and your child can enter the classroom then, through the classroom door. There will be an adult to greet them. The morning is a busy time, so please refrain from entering the classroom with your child as any messages can be passed on, if needed, via the adult at the door. At 8:55am the classroom doors will close and the register will be taken before 9:00am. If your child arrives after this time, please enter the school via the main entrance and your child will be recoded as late. Thank you for your cooperation with this.

Reception - walk through the side gate for Nursery and then enter via your classroom door.

Yrs 1 & 2 and 3 & 4 - enter your classroom door at the front of the school.

Yrs 5 & 6 - walk around the hall and then enter via your classroom door.

There has been an update regarding the status of Twyford C of E School becoming an Academy. Please read the attached letter from Russell Wood our Chair of Governors, outlining the changes and the decisions made.

After the half-term break if you are intending on taking your child out of school during term time, you will now need to complete a 'Request for Leave of Absence' Form. These are available from the school office. This will help us keep formal records of absences that are required.

Yours sincerely

Judith Bloomfield
Headteacher

ATTENDANCE MATTERS

We monitor attendance throughout the school. Every fortnight we will be looking at the year group which has the best attendance and sharing this with you in the newsletters.

Year Group	Attendance %
Reception	97.22
Year 1	89.87
Year 2	89.93
Year 3	96.15
Year 4	93.52
Year 5	96.97
Year 6	93.06

Well done to **Reception** who have achieved the highest attendance rate for 30th April - 11th May 2018.

WALK TO SCHOOL WEEK 21st - 25th May

It's **National Walk to School Week** next week. Due to all the road works/removal lorries etc. in and around Church Street, Main Street and School Lane at the moment, wouldn't it be better to just leave your car at home or park

at the top of the village and walk to school!

A generation ago 70% of us walked to school, now it's less than half. It has been proven that children who do some form of exercise, especially a walk to school, do better in class because they arrive refreshed, fit and ready to learn.

TENNIS COACHING

After half-term KS1 and LKS2 will be taking part in some tennis coaching on a Thursday afternoon organised, by Marsh Gibbon Tennis Club. KS1 for the

first two weeks and then LKS2 for the second two weeks). This is a great opportunity for your children to enjoy the game under the guidance of experienced coaches. If your child really takes to it then you could contact the club to find out about the opportunity of further coaching sessions.

Don't forget, Sunday 13th May 1.00-4.00pm is the chance for children to 'Try Tennis for Free' at Marsh Gibbon Tennis Club. Non-members are welcome.

LOST PROPERTY

There have been a number of jumpers and sweatshirts going missing recently. With the Summer *nearly* here, please can you ensure that all uniform is named.

Children will take their jumpers off and not necessarily put them in their drawers or on their pegs straight away. On some occasions they have been put back in their PE bags. We do have an increasingly full box of lost property in the school foyer, so if your child has lost any uniform in the last few weeks please have a look in the box.

OUTDOOR LEARNING

Dates for this term's Outdoor Learning sessions are listed below. Don't forget to ensure that the children have suitable clothing for being outside for these sessions; wellies if it has been wet and sun hats and sun cream if we are lucky to have some sunny weather. Outdoor learning sessions take place straight after lunchtime.

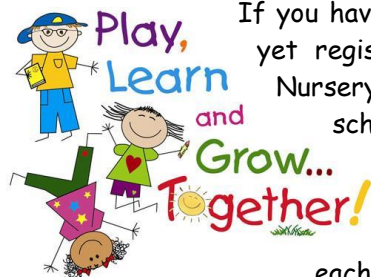

23/5/18	Reception	Pond/River Dipping
6/6/18	Year 1 & 2	Pond/River Dipping

The PTFA have sent out a letter, which you all should have received by now, stating that 5 of us are standing down from their committee positions at the end of the school year. If the PTFA is to continue we need more parents to step up and take part. The PTFA raises between £5,000 and £8,000 each year, without this money our children will miss out on essential resources that the school budget won't stretch to. The Cream Teas and the Summer Sizzler are excellent opportunities to learn, so please consider getting involved. Please come and talk to one of us.

PTFA Meeting Tuesday 5th June - Please come along to the meeting and support your hard working PTFA. 8.00pm at school. If you are thinking of taking a more active role next year then why not come along and see what goes on.

CREAM TEAS - FRIDAY 8th JUNE 2PM

This is a lovely event that is great for all ages, families and friends - everyone is welcome. We will be asking for donations of homemade scones for our Cream Tea event. We also need

helpers to set up, clear away and wash up.

BREAK THE RULES FRIDAY

We are trying out a new fundraiser on Friday 15th June. We will send out a list of rules that the children can pay to break. More details to follow.....

DATES FOR YOUR DIARY

Friday 6th July - World Cup Summer. This is a really important family event in our school calendar, but it takes a lot of organisation. Please can you help?

ICE LOLLIES

As the weather improves (hopefully!) we will be selling ice lollies for £1 after school on certain days. Look out for the text alerts from school and details on the PTFA Blackboard.

A Message from Lisa Machay

As many of you are aware I will be leaving at the end of this half term.

I just wanted to say a big thank you to all of my friends on the PTFA, I say friends, as over the years we have been working together we all have become friends.

Sarah it has been amazing being joint treasurer with you we have had so much fun couldn't of wished for a better friend. Being on the PTFA has honestly made mine and Mason's time at Twyford school so much more enjoyable, I believe me being involved in the PTFA has given Mason more confidence at school and also given me a sense of pride and achievement for all we have raised for the school.

As you will be aware most of the PTFA are stepping down this year and I really hope that other parents will take on the roles as honestly, although hard work at times it's also fun, rewarding and most importantly helping the school.

Lastly would like to say a huge thank you to The Chairpersons Katherine and Imogen throughout the time of me being involved you are always thanking others but never yourselves so a big THANK YOU

Going to miss all of you

STARLIGHT CLOTHING BINS

Thank you to everyone who has put old clothing into the bins at Twyford Village Stores and Calvert Green Mace. We raised £340 in April, so thank you to everyone who put old clothes in. Why not sort through your winter wardrobe next? **Please do not put old duvets and pillows in the bins.** Please let your friends and neighbours know that the bins are there and that they support both the school and Starlight charity. Please note that the clothing bin at Twyford Village Stores is now located at the very back of the car park.

If you haven't yet labelled your child's new school uniform you might want to think about ordering some name labels to make the job easier. The PTFA receive a commission on every order so by purchasing you will also support the PTFA. You can order online at www.mynamelabel.co.uk quoting fundraising code fe23f831

THE GIVING MACHINE

Thank you to everyone who has recently joined The Giving Machine. If you still haven't joined up, then please do as it is an easy way for us to earn money for school. Don't forget if you start looking at holidays for 2018, lots of holiday companies are registered with The Giving Machine. online. It takes 2 minutes to register with The Giving Machine (a charity and not-for-profit organisation) and then you can do most of your internet shopping via them. Each retailer that is registered with The Giving Machine then donates a sales commission (either as a % of sales or as a lump sum) that is turned into a charitable donation for our cause. The list of companies that you can raise money through is enormous and includes Amazon, SportsDirect.com, Argos, John Lewis, Booking.com, Boden, Haven, Marks & Spencer, Next and many, many more.

Letter from Russell Wood, Chair of Governors.

18th May 2018

Dear Parents,

It is important to advise you on the status of the school in its move to become an academy.

As you are aware we completed our operational due diligence and consultation period last year and decided to proceed to join the newly forming multi-academy trust - ODBST (Oxford Diocese Bucks School Trust).

The DfE gave their approvals and we started to look more into the detailed financial transition to look to set a sensible go live date that would not over burden the school office resources.

It was at this point that the initial guidance we had been provided with, namely that the move would be cost neutral for the school started to cause concern. We deferred our go live date whilst we reviewed the costings in more depth.

It was equally important for our new headteacher to also become involved and review all the findings in light of how she may wish to structure the school in the future and any implications this would impose.

At the same time it became clear that both the political landscape regarding academies and the concern around the level of support and costs from Bucks County Council had changed. The Government is no longer pursuing a directive that all schools must become academies. In fact, it seems that the latest advice is that to obtain approval, you have to prove that in doing so it will add value to the outcomes of pupils in the school.

Costs of Bucks County Council services have been refined to assist the smaller schools like Twyford.

As a result of our detailed financial due diligence, it is unfortunately clear that it would cost the school significantly more annually to become an academy either with ODBST or indeed any other MAT. It seems that this concern is also borne out by recent articles in the national press which indicates that 80% of academies now have some level of financial deficit. Please note, Twyford School's present financial position is robust, under control and in the black.

Therefore the Governors took the decision to withdraw from the move to become an academy in the governing body meeting of 8th May. We have informed ODBST & BCC accordingly.

To be absolutely clear, ODBST have not done anything wrong, their values and passion are not in question and we will aim to keep in contact with them in case the strategic landscape changes. If that central government pressure or local authority support does change, we know where to revisit and we do not believe ODBST would rebuff our advances.

Yours sincerely
