Admissions Policy

Adopted by the Governing Board: October 2018
Review Date: September 2019

THE BUCKINGHAMSHIRE ADMISSIONS POLICY FOR COMMUNITY AND VOLUNTARY CONTROLLED PRIMARY SCHOOLS FOR SEPTEMBER 2019

1. All applications must be made in accordance with the Buckinghamshire coordinated admissions scheme (the scheme).

2. All governing bodies are required by section 324 of the Education Act 1996 to admit to the school a child with a statement of special educational needs or Education, Health and Care Plan that names the school. These children will therefore be admitted prior to applying the admission rules.

3. Once a child is allocated a reception place under the scheme the school will offer a full-time place in September 2019.

4. Deferred/Part time Entry: Parents can choose whether to defer this offer or to accept the offer on a part time basis as they wish. This deferment /part time attendance period can be up to the point at which the child is legally required to start school (i.e. the start of the term after the child’s fifth birthday) and cannot be beyond the end of the normal academic year of entry for the child (i.e. the latest any child could start is during the summer term of reception/foundation 2) otherwise they must re-apply for admission to Year 1 or have formally obtained agreement to delay their child’s admission for one year. Parents of children younger than five have the right to defer entry until no later than the term after the child’s fifth birthday if deferring within the same academic year.

5. Delayed Entry for Summer Born Children: Delayed entry to school is where a parent applies to hold back their child from joining the correct year group for their age so that they start school a year later than they are due to, into the Reception class. Parents considering delayed entry are still advised to submit an application for a school place for the September following the child’s fourth birthday. This can then be withdrawn or declined if it is agreed that the child should be held back a year. Information about this process is on the council’s website, and parents seeking a delayed entry for their child should contact the Admissions Team in the first
instance who will advise about the process. Each case will be considered separately and the decision made will take account of the views of the headteacher of the school(s) concerned and the decision letter will include the reasons for the decision. Once the decision is made to admit a child out of year group their admission will be managed in the same way as any other child in the intake with no reference being made to the child’s age.

6. If there are more applications received than the places available at a school, then the places will be allocated within the scheme in accordance with the published admission rules for the school.

7. Details of the dates for timely applications and how late applications are handled are given in the scheme.

8. Where a child is admitted to a school’s Foundation 1, (nursery or pre-school provision) there can be no guarantee of a place in the main school as the coordinated admissions scheme is used to decide who should be admitted to the main school.

Admission rules for Buckinghamshire community and voluntary-controlled primary schools

1. Looked after children and previously looked after children (See Note 1)

2. Children who have exceptional medical or social needs, which can only be met at that school, supported by written evidence from an appropriate professional person. (See Note 2)

3. Children living within the catchment area of the school (See Note 3).

4. For the main point of entry: Siblings (See Note 4) of children who are attending the school or a ‘linked primary’ school in Year R - Year 5 at the time allocations are made, and are expected to be on the school roll or linked school roll at the time of the proposed admission, or who have already been offered a place to start in the current academic year at the school or a ‘linked primary school’.

   For immediate in year admission after the normal point of entry: Siblings of children who are in Year R to Year 6 at the time of admission to the school.

5. Children attending a primary school linked to the school named in the list of ‘linked primary’ schools at the time allocations are made. (A list of linked primary schools is attached)

6. Once the above rules have been applied then any further places will be offered in distance order; using the distance between the family’s Normal
Home Address (See Notes 5 and 6) and the school’s nearest open entrance gate offering the closest first. We use a straight line distance. (See Note 7)

7. Where a school can take some, but not all, of the children who qualify under one of these rules, we will give priority to children by taking account of the next rule (or rules) in the numbered list to decide who has priority for places.

8. If it still not possible to decide between two applicants who are equidistant then an independently scrutinised random allocation will be made to allocate the final place. An explanation of the method of making random allocations is on the council website at: https://www.buckscc.gov.uk/media/1740/random-allocation-procedure.pdf (See also Note 8 below regarding twins and multiple births)

Explanation of terms used in the admission rules.

Note 1 Definition of Looked after children and Previously looked after children

For admissions purposes a ‘looked after child’ is a child who is a) in the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989). This covers accommodated children and those who are in care under a Care Order/interim order. This can include: living with family or friends, in foster care, a children’s home, residential school, special school or in supported lodgings.

This rule includes children who were previously looked after and immediately after being looked after became the subject of an adoption, child arrangement order or special guardianship order as set out below.

Other definitions:

Child arrangements order: is an order setting the arrangements to be made as to the person with whom the child is to live under the Children and Families Act 2014

special guardianship order: 'an order appointing one or more individuals to be a child’s special guardian (or special guardians) under Section 14A of the Children Act 1989.

Note 2 Exceptional Social and Medical process

A panel comprising education professionals will consider the applications under this rule on receipt of written information from the parent indicating their
reasons for the child attending a particular school. When making an application parents should send evidence from an independent professional person (this might be a doctor, health visitor, or Education Welfare Officer, for example) who knows about the child and supports the application to the school. It must clearly show why the school is the most suitable and any difficulties if alternate schools were offered.

The panel will consider which children can be considered under this rule prior to each admission round.

Note 3: Primary School Catchment Areas

The primary school catchments can be viewed via the ‘Find my child a school place’ mapping service at:

https://services.buckscc.gov.uk/school-admissions

Note 4: Definition of sibling

A sibling is a brother or sister. For admission purposes we mean one of two or more individuals who have one or more parent in common, or any other child (including an adopted or fostered child) who lives at the same address and for whom the parent also has parental responsibility or, (in the case of a fostered child) delegated authority.

We will only consider a pupil in a primary school as a 'sibling' if he or she is attending, in the specified year groups, the school or a linked primary school at the time the allocations are made or, for in-year admissions the time of admission), or has been formally offered a place at the school in the operation of the Coordinated Primary Admissions Scheme. In all cases they are expected to still be at the school at the time of proposed admission.

Note 5: Definition of parent

This is as defined in law (the Education Act 1996) as either:

- Any person who has parental responsibility (defined in Children Act 1989) for the child or young person; or
- Any person who has care of the child or young person.

Note 6: Definition of normal home address (more detail is available in the guide)

This is the child’s home address. This must be where the parent or legal carer of the child and the child live together unless it is proved that the child is resident elsewhere with someone who has legal care and control of the child. The address should be a residential property which can be permanently occupied 52 weeks of the year without any restrictions on occupation and not subjected to any planning or contractual restrictions on the duration of occupancy and is your child's only or main residence that is owned, leased or rented by the child's parent(s) or person with legal care and control of the child.
To avoid doubt where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined by:

1) Confirmation of the registered address to which Child Benefit is currently being paid, or, if child benefit is not received then the address from which the child in question is registered with the doctor.

2) If 1) above is not applicable then the parent with whom the child spends the greater proportion of the school week from Sunday evening to Thursday evening.

**Note 7 Definition of home to school distance**

The straight line distance definition: is ‘the distance from the address point of the pupil’s normal home address, as set out by Ordnance Survey, to the nearest open school gate available for pupils to use’.

As part of the computer system we use for school admissions there is a program that measures the ‘straight-line’ distance from the nearest open school gates to the child's normal home address.

The point we measure to at the child's normal address is determined by the Ordnance Survey ADDRESS-BASE which is an Ordnance Survey data product that provides a National Grid coordinate and a unique reference for each postal address in Great Britain that is on the Royal Mail’s Post Office Address File (PAF®).

The PAF contains postal address data and includes premises such as buildings or permanent mobile and park homes, plus other features such as temporary buildings and houseboats.

Where Service families or families of other Crown Servants, who often move within the UK and from abroad are posted to the area, school places can be allocated in advance of the family move if an official government letter declaring a relocation date and an intended address is provided. A unit postal address or quartering area
address will be sufficient if there is not a confirmed new home address. Where Service families are returning to live in a property they already own, evidence of ownership will be needed. This evidence should be provided by 30 January (Secondary allocation) 13 February 2016 (Primary allocation) to be included in the first allocation round.

**Note 8 Multiple births – twins, triplets etc**

In cases where there is one remaining place and the next child on the waiting list is one of a twin, triplet or other multiple birth group then both twins (or all the siblings in the case of multiple births) will be admitted and whilst that child is in the class they will be an excepted pupil under the Schools Admissions (Infant Class Sizes) (England) Regulations 2012 which permit Key Stage 1 class sizes to exceed 30 following the admission of a twin for as long as necessary until a child leaves the class at which point the class size will remain at the lower figure.
Nursery Admissions Policy for September 2019

Background Information

Prior to compulsory education, every child is entitled to receive 15 hours free education known as the universal free entitlement from the start of the term following his or her third birthday. This can be in a private nursery, independent school, child minder, preschool or maintained school setting of the parent’s choice. Depending on a family’s circumstances some children are eligible to receive 15 hours free education from the start of the term following his or her second birthday. For 3 and 4 year olds (not in a reception class) an additional 15 hours known as the extended free entitlement, making a total of 30 hours, may be available for eligible working families at participating schools - contact the school to clarify if they are offering the extended free entitlement.

There are two types of maintained early years provision in Buckinghamshire schools at present. These are:

- Nursery schools
- Nursery classes/ Early Years provision (delivered by the governing body) in schools

All children will be offered a school place in a reception class from the September following their fourth birthday. This offer is a full time offer, it can be accepted on a full or part time basis, or admission can be deferred within that academic year.

Nursery Classes

There is no automatic admission into main school from nursery classes or early years provision and this is stated in the letter offering a place in the nursery. Nursery classes may accommodate 2, 3 and/or 4 year-old children. Nursery age children do not count as part of the roll for the school and children will not be guaranteed a place in the main school. They must apply for a school place in accordance with the coordinated scheme and places are then allocated in line with the admissions rules for the school.

Parents can register their child with the school for consideration for a place in the nursery from 6 months after their second birthday (2 year old admission) once the child has reached 2 years of age. Places are not allocated, however, on the basis of when the registrations were made.

Parents must apply for places in the main school under the co-ordinated arrangements. Therefore, until the allocation is public (after 18 April 2017) parents could not be assured of a continuing place at the school. Once parents are offered a place under the co-ordinated scheme they have the right to defer entry for their child. This deferment can be up to the point at which the child is legally required to start school (i.e. the start of the
term after the child’s fifth birthday) and cannot be beyond the end of the normal academic year of entry for the child (i.e. the latest any child could start is during the summer term of reception/foundation 2) otherwise they must re-apply for admission to year.

Where schools admit at a point before September of reception year the children will be admitted to a nursery class. The Local Authority has delegated admission arrangements to the governing bodies of those schools that have a nursery admission. Governing Bodies have the delegated responsibility for applying the following rules: Parents can register their child with the school for consideration for a place in the nursery from 6 months after their second birthday (2 year old admission) once the child has reached 2 years of age. Places are not allocated, however, on the basis of when the registrations were made.

Where schools admit at a point before September of reception year the children will be admitted to a nursery class. The Local Authority has delegated admission arrangements to the governing bodies of those schools that have a nursery admission. Governing Bodies have the delegated responsibility for applying the following rules:

**Nursery Class Admission Rules**

If the number of applications exceeds the number of places then once children who already hold a statement of special educational need or Education, Health and Care Plan have been allocated places the remaining places will be allocated in the following order:

1. Looked after children and previously looked after children *(see note 1)*
2. Children who have exceptional medical, or social needs supported by written evidence from an appropriate professional *(see note 2)*
3. Children living within the catchment area of the school *(see note 3)*
4. Siblings of children who are attending the school at the time allocations are made or attend a linked primary school at the time allocations are made *(see note 4)*
5. Children who qualify for Early Years Pupil Premium
6. Once the above rules have been applied then any further places will be offered in distance order; using the distance between the child’s Normal Home Address and the school’s nearest open entrance gate offering the closest first. We use a straight line distance.

The **straight line distance definition** is 'the distance from the address point of the pupil’s house, as set out by Ordnance Survey, to the nearest school gate available for pupils to use'.

7. Where one place remains and the next two applicants are equal
distance from the school in all cases, including flats and apartments, where addresses are equidistant a random allocation will made.

The terms used in these rules are as defined in the primary rules above. The catchment area used is also as defined in the primary rules.
Nursery Schools

There are 2 schools - Bowerdean (who also operate Mapledean Nursery) and Henry Allen. They take children for 15 or 30 hours, the additional 15 hours may be agreed for eligible families (contact the nursery school for more information). Once children who already hold a statement of special educational need or an Education, Health and Care Plan have been allocated places the remaining places will be allocated in the following order:

1. Looked after children and previously looked after children (see note 1)
2. Children who have exceptional medical or social needs, which can only be met at that nursery school, supported by written evidence from an appropriate professional person. (See Note 2)
3. Children living within two miles of the school according to the distance between the family’s normal home address and the school’s nearest entrance gate.
4. Children who qualify for Early Years Pupil Premium (see Note 5)
5. Any remaining places will be allocated on the basis of the child's date of birth, oldest first. If there is only one place left, and there is more than one child with the same birthday, the place will be allocated to the child living nearest to the school according to the straight line distance between the child's normal home address and the school's nearest entrance gate.

Note 2 Exceptional Social and Medical process for nursery admissions

The governing body of the school/nursery school will consider the applications under this rule on receipt of information from the parent to indicate strong reasons for the child attending a particular nursery/school. When making an application parents should send evidence from an independent professional person (this might be a doctor, health visitor, or Education Welfare Officer, for example) who knows about the child and supports the application to the school. They must also provide evidence that they are entitled to receive Free School Meals or Disability Living Allowance. It must clearly show why the school is the most suitable and any difficulties if alternate schools were offered.

Note 5: Definition of Early Years Pupil Premium entitlement

3- and 4-year-olds in state-funded early education will attract Early Years Pupil Premium (EYPP) funding if they meet at least 1 of the following criteria:

- their family gets 1 of the following:
  - Income Support
  - income-based Jobseeker’s Allowance
  - income-related Employment and Support Allowance
  - support under part VI of the Immigration and Asylum Act 1999
  - the guaranteed element of State Pension Credit
  - Child Tax Credit (provided they're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
  - Working Tax Credit run-on, which is paid for 4 weeks after they stop qualifying for Working Tax Credit
  - Universal Credit
- they are currently being looked after by a local authority in England or
Wales

- they have left care in England or Wales through:
  - an adoption
  - a special guardianship order
  - a child arrangement order

It is the responsibility of the governing body of the school/nursery school to establish a child’s eligibility to EYPP
