

### THIS WEEK AT SCHOOL

We have had a very busy couple of weeks at school since the last bulletin went out. Despite the dreary, wet weather, we have been beating the winter blues in all sorts of ways.

Last week, our choir of 32 children from across Key Stage 2 took part in a Young Voices concert in Birmingham. It was an absolutely fantastic event which saw over 5000 children sing together. The children had the chance to form a backing choir for some well-known singers and also to dance alongside the Urban Strides group. Our Twyford children represented the school brilliantly and we hope they will have memories of the event that will last a lifetime.

In other news, our school library is now fully catalogued, thanks to the amazing efforts of Mrs Hall and our school librarians. This now means that when children take out books, these will be scanned using a barcode system which will help us keep track of our books more efficiently and also indicate which are the most popular genres and book types.

### REMINDERS

#### Appropriate Clothing:

As the weather is so unpredictable at the moment, please ensure that your child comes to school dressed appropriately with a warm coat, gloves, hat and scarf when necessary. Wellington boots are also advisable for playtimes on wet days.

#### School Emergency Closures:

Should it be necessary to close the school because of bad weather, we will let you know via ParentMail at the very earliest opportunity. The decision is never taken lightly but the safety of everyone on the school site is paramount to us.

#### Drainage Works on Main Street & School Lane

As many of you will be aware, there are ongoing drainage works taking place in this part of the village, which may make getting to the school by car more difficult. Where possible please park at the top and walk down.

### WRAP-AROUND CARE

To book a place in wrap-around care please contact NXT Level Coaching
