

THIS WEEK AT SCHOOL

We are now past the half way mark of the academic year! This term is a very short one, as Easter falls early this year.

We have had a busy first week back. It has been lovely to welcome so many of you to parent consultations this week and thank you for your time. Don't forget that the SEND parent consultations will be taking place next week for Nursery to Year 4 and the following week for Years 5 and 6.

Also this week, Years 5 and 6 went on a Faith Tour in Milton Keynes and visited different places of worship. They had a fascinating time and have been doing some excellent follow-up work.

Next Thursday is World Book Day and we are very much looking forward to welcoming the children in their costumes! We have some exciting plans for the day so can't wait!

REMINDERS

We have recently been informed of several near misses between cars and pedestrians before and after school time. Unfortunately, inconsiderate parking has been the cause of this, especially around the junction of Main Street, School Lane and Church Street. It is often not possible for drivers to see around the parked cars and can be difficult to see pedestrians before they cross – especially when they are children. Please could we once again ask everyone to park with consideration. We completely understand that some families have no option to come to school by car, but would encourage a 'park and stride' option, parking further away from the school and walking the last part of the journey.

May we also remind parents and carers that they should not be parking in the school car park at any time, as this can also be dangerous. This includes for those using breakfast and after school clubs.

WRAP-AROUND CARE

To book a place in wrap-around care please contact NXT Level Coaching
