

### THIS WEEK AT SCHOOL

The last two weeks have flown by and we have finally said goodbye to January, which always feels like a long month!

As always, the school has been full of activity and it is great to be able to reflect already on how much progress has been made since the start of the school year in September. We are excited to be able to share this with you and would encourage you to book up for our parent consultations, which are taking place after half term.

It is crazy to think that we will be half way through the school year next Friday, when we break up for half term. We will be marking this milestone with a FOTS movie night next Thursday, 12<sup>th</sup> February, so don't forget to get your tickets!

Although March seems like a long way off, we will be celebrating World Book Day on Thursday 5<sup>th</sup> March and the children (and staff) will have the opportunity to dress up as characters from their favourite books on the day.

### REMINDERS

#### School Bags and Rucksacks

A number of children are bringing large and mostly empty school bags or rucksacks with them to school. Please refrain from doing this, unless there is a specific need to do so (eg: a change of clothes for Nursery children) as we do not have the cloakroom space to accommodate them. There are dedicated spaces to store lunchboxes and water bottles in each classroom, so those don't need to be kept on pegs.

#### Punctuality in the Mornings

Just a reminder that the school gate will be closed at 8.45am every morning. Children (except those in Nursery) who arrive after this point will need to be signed in as late at the school office.

Many thanks for your understanding.
