

THIS WEEK AT SCHOOL

Can it really be the end of the Spring term? Where has the time gone?!

We have had a lovely few weeks preparing for Easter and the culmination of this was our celebration assembly and worship in St Mary's church this morning. It was brilliant to welcome so many parents and family members to share this with us. It was also an opportunity to view the wonderful Easter bonnets and egg designs which so many of the children created this year. £85 was raised for FOTS and this will go towards supporting the educational experiences of Twyford children in the future. A massive well done to everyone who entered! What a generous and creative school community we have.

All of the staff and pupils at Twyford school wish you a very happy Easter break. We hope you are all able to have a restful and restorative time with those that you love. We look forward to seeing you again on Monday 13th April.

REMINDERS

Please could we remind you all that, excluding drinks for lunchtime, children should only be bringing water in their bottles to drink at other times of the school day.

We are still receiving concerns from our neighbours regarding inconsiderate parking at the start and end of the school day. We are trying hard to work with the local community to improve the situation and would ask everyone to think carefully about where they park when visiting the school. Please do make use of space in School Lane and the Recreation Ground Car Park, which would ease the amount of cars on Main and Church Streets. The only way we will improve this – and make things safer – is if everyone works together. Many of the banks and verges in the village have been seeded and have new growth – which may not be obvious. However, if they are continuously being parked on, nothing will grow.
