

THIS WEEK AT SCHOOL

We have arrived at the Summer Term! This year seems to have whizzed by in a flash and we are now only five weeks away from May half term already.

It has been lovely to welcome the children back after the Easter holidays; we hope you all had an enjoyable time.

This week, our Year 6 children have been busily practising for their SATs, which take place during the week of 11th May. We are incredibly proud of how hard they have worked, showing both determination and resilience.

We also recommenced swimming sessions this week for Years 3 and 4, with some Year 5s also joining us. It was great to see the progress that so many of the children have made since we last went.

As we are in our last 'big' term, each class will be producing a newsletter for you to read – so please look out for these in due course.
