

Early Years Foundation Stage

Summer Term Newsletter

Welcome!

We can't quite believe that we are entering the final term of the year and it has been lovely to return back to school in the sunshine. Mrs Oakes, Mrs Blane, Mrs Butcher and I would like to extend a very warm welcome to our 6 new nursery children and their families.

Curriculum

It is the best time of year for us to enjoy our wonderful outdoor garden. The trees are full of blossom, potatoes and peas are growing well and this term begins with us planting beans and cress. Over the term we will be looking at the seasonal changes of Spring to Summer and observing the growth of the plants and vegetables we have planted. We will be focusing on animals and their habitats, exploring which animals can be found at the farm, in the jungle, under the sea and the similarities and differences of their habitats.

We are always keen to get out and about and are looking forward to our Summer visit to Waddesdon Manor later this term and our end of year picnic in the park.

As the year end draws nearer we will be planning transitional activities to support those children moving on to new classes in September.

Warmer Weather

As we get ready to enjoy the warmer and sunnier weather this term, we will be taking full advantage of our wonderful outdoor spaces. A gentle reminder to please apply suncream to your child before sending them into school on hotter days and please provide them with a named sunhat. Please keep sunglasses at home though, as we would hate for these to get lost or broken whilst at school.

Mystery Reader

A huge thank you to all those who have volunteered to be a mystery reader this year. We are really keen to find more mystery readers so if you can spare 10 minutes to come and share a story with our Nursery and Reception children we would be very grateful! Please speak to Mrs Rumble, Mrs Butcher or Mrs Oakes to arrange a suitable day and time. Thank you!

Food and Drink

Just a little reminder that children should only be bringing water in bottles, no squash or juice please. Also, we do have some children with nut allergies within the school so please do not send any food containing nuts or nut products – thank you!

Reception PE

Wednesdays and Thursdays!
We will keep PE kits in school unless they need washing.
Please please, name ALL items!

Baby and Toddler Group

Mrs Oakes will continue to run our baby and toddler group every Friday morning during term time from 9:45 – 11:00. Just £2 per family. Please do come and join us!
