

THIS WEEK AT SCHOOL

Wow! The last couple of weeks have been an absolute whirlwind! There has been lots going on and it has been really busy.

This week, our Year 6 pupils have been absolute stars in every sense. They have undertaken their national SATs tests with such aplomb, demonstrating great enthusiasm for showing what they have learnt during their primary school years. We absolutely believe that each and every one of them is 'more than a score' and are so proud of them all for the work they have put in and for taking part. These tests are just a tiny snippet of all of their hard work and do not measure the many versatile talents we know they possess in so many different areas. Congratulations to you all! A huge thank you must also go to Mrs Hood, Mrs Bristow and the other staff who have supported with the tests this week.

Yesterday, Years 3 and 4 also had a fantastic trip to the Waterside Theatre in Aylesbury to watch a Horrible Histories show about the Tudors. The children came back having had the most wonderful experience and learned lots about the Tudors, which will really help them with their learning in history throughout the rest of the term.

REMINDERS

Being Prepared for the Weather

We seem to have experienced nearly every kind of weather in the last couple of weeks and absolutely understand that it's often hard to predict whether your child will need a coat or not! Please make sure all clothing is clearly named, as this is the time of year where jumpers and coats come off when the sun comes out and we currently have a number of unclaimed tops in each of our class baskets. If you are currently missing items of clothing, please ask your child's class teacher.

Upcoming Assessments

The Year 4 multiplication tables check will be taking place for each Year 4 child at some point between 1st and 12th June.

Our year 1 children, and a number of year 2 children, will also be undertaking their statutory phonics screening tests with Mrs Rumble during the week of 8th June.

Reminder About Considerate Parking

We are still being informed by our neighbours about inconsiderate parking at drop-off and pick up times. Please think carefully about where you are parking at these times. The safety of everyone is our paramount priority.

WRAP-AROUND CARE

To book a place in wrap-around care please contact NXT Level Coaching
