

### THIS WEEK AT SCHOOL

It is wonderful to be in the full swing of the summer term now – in fact, today marks the half way point of this half term! It is my favourite term of the year and, although it's often very busy in schools at this time of the year, we get the benefit of the longer days and better weather. We have been making the best of this and utilising our amazing surroundings as one big outdoor classroom – what could be better.

We have a variety of very exciting school trips and experiences coming up over the next few weeks, including trips to the Waterside Theatre in Aylesbury to see Horrible Histories (Years 3 and 4), the Year 5 Science Fair at the Royal Latin School, the Oxford Story Centre (Years 1 and 2), Quanton Railway Centre (Early Years) and the Woodrow High House residential trip for Years 5 and 6. There are also a number of sports events planned, not forgetting weekly swimming sessions to Buckingham for many of our Key Stage 2 children.

Today, we have had a very successful 'Break the Rules' charity fundraiser which was organised by Churchill House to support their chosen charity, the Florence Nightingale Hospice. Thank you to everyone who took part.

### REMINDERS

#### Whole School Photograph

As you will know, our whole school photograph was taken two weeks ago and I must say, it is a really lovely one. We only plan on having these once every five years, so don't miss out on grabbing a unique souvenir. You can follow this link to view the photograph and make a purchase, if you haven't already done so: [Whole School Photo Link](#).

#### Class Photographs

The school photographer also visited again this week to take our annual class photographs. We will be in touch when these are ready to be purchased.

#### Warmer Weather

Finally, I can talk about weather that doesn't involve the words 'cold', 'icy' or 'wet'! As we have been experiencing warmer weather lately, please ensure that your child is prepared for being out in the sun by making sure they wear sun cream (a long lasting one applied before school is best) and have a sun hat. Unless there is a medical reason that you have alerted us to, we ask that children do not wear sunglasses. Please also remember that we cannot apply sun cream. We encourage children to bring a water bottle with them every day, but please ensure that this only contains water.

### WRAP-AROUND CARE

To book a place in wrap-around care please contact NXT Level Coaching
