

THIS WEEK AT SCHOOL

Woodrow High House Residential

As we were all literally melting at this point last week, I did not have the opportunity to say what a fantastic time we had on the Year 5 and 6 residential trip. The children were nothing short of amazing and everyone got stuck into the whole experience with great gusto, despite the scorching weather. If you haven't already, please have a look at our social media posts from the visit, as these paint a picture of the excellent range of experiences and activities that the children took part in. Huge thanks must go to Mrs Hood and Mrs Bristow for preparing the children so well and being with them for the three days they were away.

First Aid and Life Saving Workshops

We were very lucky to have an assembly and workshops provided by Nicki Coleman and her colleague, Laura Foley, yesterday afternoon. They talked with the children about how to respond in medical emergencies, including First Aid, dialling 999, CPR and relieving choking. We are very grateful to Nicki and Laura for volunteering their time and raising awareness of how to respond when there is an emergency.

'Moving On' Transition Day

On the morning of Tuesday 7th July, the children will spend time with their new teachers and support staff in their new classrooms for September. Our current Year 6 pupils will also be visiting their new secondary schools.

REMINDERS

Monday is Sports Day!

This is just a reminder that Monday is Sports Day and you are invited to join us for the morning session to watch the action if you are able to. The Nursery and Reception races will take place between 9.15 and 10.00am, followed by the KS1 and 2 events between 10.00 and 12.00. Timings are approximate, but we hope to stick to these as much as possible. Please ensure that your child(ren) comes to school wearing their PE kit for the day. FOTS will be selling refreshments for our audience, so bring some change along with you.

Hot Weather

More hot weather is expected next week, with an amber weather warning currently in place. Please continue to remain vigilant about sending your child(ren) into school appropriately dressed and protected for the weather.

Road Safety

There have been a few near misses recently with some children not crossing the road outside school with care, and riding their bikes without a helmet. We have discussed the importance of road safety in assembly but please remind your child(ren) of the importance of this too. I also cannot stress enough how much considerate parking also helps with keeping pedestrians safe too.

WRAP-AROUND CARE

To book a place in wrap-around care please contact NXT Level Coaching
