

THIS WEEK AT SCHOOL

It hardly seems possible that we have now been back at school for two whole weeks (and a couple of days the week before that too!). Time flies!

We have had an excellent start to the school year and it has been brilliant to see the children settling in so well to their new classes. Of course, it is still early in the term so it is natural for the children to still have uncertainties as they are still getting used to being in their new year groups. What has been great is to have seen so many instances of resilience and of the children supporting each other as they navigate a new school year – what a wonderful example of our strong sense of community here.

All of our classes have been working extremely hard since the start of term and this has been reflected in the number of housepoints that have been filling the containers in the main entrance. We have also been able to celebrate the stars and learners of the week in our Friday celebration assemblies

REMINDERS

Speaking to teachers at drop-off and pick-up times

Class teachers are always happy to receive short messages from parents/carers at drop-off and pick-up times. However, should you need to chat to them in more depth about your child, please arrange a separate time to meet with them or send an email via the school office. Any urgent messages can also be shared with Mr Thompson at the main gate.

School Uniform

It is always a pleasure to see our children looking so smart in their school uniforms. Please do take the opportunity to check the school uniform section of the school website if you are unsure what they should (or shouldn't) wear.

[Twyford School Uniform Information](#)

Please remember that the only jewellery permitted to be worn by children is a watch and a maximum of one stud earring per ear. Other jewellery, including wristbands, is not permitted.

WRAP-AROUND CARE

To book a place in wrap-around care please contact NXT Level Coaching
